§ 327.31 Definitions.

For purposes of this subpart and subpart C:

(a) The *average assessment rate* for any assessment period means the aggregate assessment charged all insured depository institutions for that period divided by the aggregate assessment base for that period.

(b) *Board* means the Board of Directors of the FDIC.

(c) *De facto rule* means any transaction in which an insured depository institution assumes substantially all of the deposit liabilities and acquires substantially all of the assets of any other insured depository institution at the time of the transaction.

(d) An *eligible insured depository institution:*

(1) Means an insured depository institution that:

(i) Was in existence on December 31, 1996, and paid a deposit insurance assessment before December 31, 1996; or

(ii) Is a successor to an insured depository institution referred to in paragraph (d)(1)(i) of this section; and

(2) does not include an institution if its insured status has terminated as of or after the effective date of this regulation.

(e) *Merger* means any transaction in which an insured depository institution merges or consolidates with any other insured depository institution. Notwithstanding part 303, subpart D, for purposes of this subpart B and subpart C of this part, *merger* does not include transactions in which an insured depository institution either directly or indirectly acquires the assets of, or assumes liability to pay any deposits made in, any other insured depository institution, but there is not a legal merger or consolidation of the two insured depository institutions.

(f) *Resulting institution* refers to the acquiring, assuming, or resulting institution in a merger.

(g) *Successor* means a resulting institution or an insured depository institution that acquired part of another insured depository institution's 1996 assessment base ratio under paragraph 327.33(c) of this subpart under the *de facto* rule.

§ 327.32 Determination of aggregate credit amount.

The aggregate amount of the one-time credit shall equal $4,707,580,238.19.

§ 327.33 Determination of eligible institution's credit amount.

(a) Subject to paragraph (c) of this section, allocation of the one-time credit shall be based on each eligible insured depository institution's 1996 assessment base ratio.

(b) Subject to paragraph (c) of this section, an eligible insured depository institution's 1996 assessment base ratio shall consist of:

(1) Its assessment base as of December 31, 1996 (adjusted as appropriate to reflect the assessment base of December 31, 1996, of all institutions for which it is the successor), as the numerator; and

(2) The combined aggregate assessment bases of all eligible insured depository institutions, including any successor institutions, as of December 31, 1996, as the denominator.

(c) If an insured depository institution is a successor to an eligible insured depository institution under the *de facto* rule, as defined in paragraph 327.31(c) of this subpart, the successor and the eligible insured depository institution will divide the eligible insured depository institution's 1996 assessment base ratio pro rata, based on the deposit liabilities assumed in the transaction. In any subsequent transaction involving an insured depository institution that previously engaged in a transaction to which the *de facto* rule applied, the insured depository institution may not be deemed to have transferred more than its remaining 1996 assessment base ratio. If the transferring institution is no longer an insured depository institution after the transfer, the last successor will acquire the transferring institution's remaining 1996 assessment base ratio.

§ 327.34 Transferability of credits.

(a) Any remaining amount of the one-time assessment credit and the associated 1996 assessment base ratio shall transfer to a successor of an eligible insured depository institution.

(b) Prior to the final determination of its 1996 assessment base and one-

time assessment credit amount by the FDIC, an eligible insured depository institution may enter into an agreement to transfer any portion of such institution's one-time credit amount and 1996 assessment base ratio to another insured depository institution. The parties to the agreement shall notify the FDIC's Division of Finance and submit a written agreement, signed by legal representatives of both institutions. The parties must include documentation stating that each representative has the legal authority to bind the institution. The adjustment to credit amount and the associated 1996 assessment base ratio shall be made in the next assessment invoice that is sent at least 10 days after the FDIC's receipt of the written agreement.

(c) An eligible insured depository institution may enter into an agreement after the final determination of its 1996 assessment base ratio and one-time credit amount by the FDIC to transfer any portion of such institution's one-time credit amount to another insured depository institution. The parties to the agreement shall notify the FDIC's Division of Finance and submit a written agreement, signed by legal representatives of both institutions. The parties must include documentation stating that each representative has the legal authority to bind the institution. The adjustment to the credit amount shall be made in the next assessment invoice that is sent at least 10 days after the FDIC's receipt of the written agreement.

§ 327.35 Application of credits.

(a) Subject to the limitations in paragraph (b) of this section, the amount of an eligible insured depository institution's one-time credit shall be applied to the maximum extent allowable by law against that institution's quarterly assessment payment under subpart A of this part, until the institution's credit is exhausted.

(b) The following limitations shall apply to the application of the credit against assessment payments.

(1) For assessments that become due for assessment periods beginning in calendar years 2008, 2009, and 2010, the credit may not be applied to more than 90 percent of the quarterly assessment.

(2) For an insured depository institution that exhibits financial, operational, or compliance weaknesses ranging from moderately severe to unsatisfactory, or is not at least adequately capitalized (as defined pursuant to section 38 of the Federal Deposit Insurance Act) at the beginning of an assessment period, the amount of the credit that may be applied against the institution's quarterly assessment for that period shall not exceed the amount that the institution would have been assessed if it had been assessed at the average assessment rate for all insured institutions for that period. The FDIC shall determine the average assessment rate for an assessment period based upon its best estimate of the average rate for the period. The estimate shall be made using the best information available, but shall be made no earlier than 30 days and no later than 20 days prior to the payment due date for the period.

(3) If the FDIC has established a restoration plan pursuant to section 7(b)(3)(E) of the Federal Deposit Insurance Act, the FDIC may elect to restrict the application of credit amounts, in any assessment period, up to the lesser of:

(i) The amount of an insured depository institution's assessment for that period; or

(ii) The amount equal to 3 basis points of the institution's assessment base.

§ 327.36 Requests for review of credit amount.

(a)(1) As soon as practicable after the publication date of this rule, the FDIC shall notify each insured depository institution by FDIC*connect* or mail of its 1996 assessment base ratio and credit amount in a Statement of One-Time Credit (''Statement''), if any. An insured depository institution may submit a request for review of the FDIC's determination of the institution's 1996 assessment base ratio or credit amount as shown on the Statement within 30 days after the effective date of this rule. Such review may be requested if:

(i) The institution disagrees with a determination as to eligibility for the credit that relates to that institution's credit amount;
